SAFETY POLICY

Geoff Milner, the Owner/Director of *Sportsbus Pty Ltd*, has developed this safety policy to define the safety aims for his business. The policy articulates a commitment to risk management, the development of a positive safety culture and continuous safety improvement.

Sportsbus is committed to operating in a way that ensures there is minimum risk of injury to workers, passengers and the general public.

Sportsbus is committed to compliance with relevant parts of the Bus Safety Act 2009 (Vic) and Bus Safety Regulations 2010 (Vic).

Sportsbus will strive to continually improve safety performance levels by:

1. Identifying, recording and assessing safety risks before and after every trip, including weather conditions, road safety, passenger health, vehicle and destination conditions.
2. Putting in place the controls and resources to reduce risks so far as is reasonably practicable
3. Monitoring and auditing against this Safety Policy and compliance with the Management Information System and Maintenance Management System.

Sportsbus will offer an opportunity to provide feedback on safety improvements through customer feedback.

Sportsbus will provide a safety demonstration for passengers prior to the commencement of all trips.

Sportsbus will provide full safety awareness and policy training to any personnel needed to support the business, including all drivers, sub-contracted or otherwise.

Sportsbus will ensure adequate signage and instruction is provided in all vehicles regarding the use of safety equipment and emergency procedures.

Sportsbus will ensure all buses are equipped with the correct safety equipment.

Sportsbus will consider other policies that impact and influence safety, including but not limited to Safety, Risk Management, Fatigue Management and Drug and Alcohol Management.

The safety policy will be reviewed as is necessary, but at least annually as part of the business planning review and will make it available on the www.sportsbus.com.au website.

The contents of this policy have been reviewed and approved by:
